CAUSE NO. 42520

You are hereby notified that on this date the Presiding Officers in this Cause make the following Entry:

On March 10, 2004, The Indiana Office of Utility Consumer Counselor ("Public") filed its *Motion for Extension of Filing Date* ("Motion") with the Indiana Utility Regulatory Commission, seeking a one day extension beyond the established March 10, 2004 deadline to file its case-in-chief. The Motion states that, due to the volume of material and complexity of the issues, additional time is needed to finalize the testimony and attachments of its three accounting witnesses. The Motion further states that Petitioner's attorney "**does object** to this request," and that the attorneys for two intervening parties "**likewise have no objection** to this request." (emphases added)

It appears from the entirety of the Motion that the language: "does object to this request" is a typographical error which should read: "does not object to this request." The Presiding Officers should be advised as soon as possible if this assumption is incorrect.

Having examined the Motion in its entirety, the Presiding Officers hereby grant the Motion with the understanding that none of the parties referenced in the Motion objects to the Public's request for a one day extension to complete the filing of its case-in-chief. The Public should file the testimony and attachments of its accounting witnesses Judy Gemmecke, Margaret Stull and Dana Lynn on March 11, 2004.

IT IS SO ORDERED.
